

I remember when I was a very very small boy, one dat at my grandfather's house he said 'listen, I can hear a train coming' so we went outside to have a look I was sitting on a wall I saw the steam engine

This is a longer line than the one above - I remember when I was a very very small boy, one day at my grandfather's house he said 'listen, I can hear a train coming' so we went outside to have a look. I was sitting on a wall when I saw the steam engine.

[illegible]
